PRESS RELEASE

U.S Supports the Development of the IT Sector in Kyrgyzstan

The U.S. Government, through the United States Agency for International Development's Local Development Program, will for the first time conduct a roundtable in partnership with IT experts from Kyrgyzstan. The roundtable will take place on November 29, at 15.30, at the Park Hotel (87 Orozbekova str., Bishkek).

The roundtable is organized for entrepreneurs representing the IT sector, IT experts and consultants, and potential investors to evaluate IT startups and to assist IT entrepreneurs obtain feedback on their business concepts and plans from experts and potential investors. In addition, these events will support the creation of a network of IT sector entrepreneurs, promote investment and stimulate entrepreneurship in the sector.

IT entrepreneurs and business owners, IT experts and consultants, as well as investors seeking interesting business projects would be welcome to attend the roundtable.

To participate in the event or obtain additional information, please contact:

Kanagat Alyshbaev, kalyshbaev@ldp.kg or visit the USAID Local Development Program website: www.ldp.kg. Please note that the deadline for entrepreneurs seeking to present on November 29 is November 15, 2011 and for registration by participants is November 25, 2011

The United States Agency for International Development (USAID) is proud to celebrate its 50th anniversary in 2011. USAID was created in 1961 by President John F. Kennedy and is funded by the American people. Since 1992, USAID has supported local efforts to improve economic growth, governance, and the quality of health and education in Kyrgyzstan.
